Warranty Exclusions

FORPAC Limited Warranty does not apply to:

- The exact matching of shade, color or mottling.
- Tears, burns, cuts or damage due to improper installation or use or improper cleaning agents and maintenance methods.
- Labor costs outside of prorated schedule defined in the warranty.
- Sales of non-first quality materials, i.e., "seconds," "off goods" or other irregular flooring. Such non-first quality materials are sold "AS IS."
- Issues associated with the use of adhesives other than those recommended by FORPAC.
- Issues caused by moisture or alkali in the subfloor. Pre-installation moisture and alkali testing is required and must be made available to FORPAC upon request.
- Issues of discoloration or staining associated with subfloor contamination or markings that bleed through the flooring material.
- Problems caused by installation, uses and maintenance that are contrary to FORPAC's specifications, recommendations or instructions.
- Material installed with obvious defects not notified to FORPAC prior to installation.
- Exterior installations - FORPAC LVT are designed for interior applications only.
- Fading and/or discoloration resulting from heavy sunlight penetration and ultraviolet ray exposure from direct or glass-filtered sunlight.
- Damage to flooring products caused by high or spiked heels, improper protectors/casters for furniture rests. Some rolling-type casters on furniture or appliances may damage resilient flooring. Warranty as to the suitability of the factory-installed casters rests with the furniture or appliance manufacturers. To avoid FORPAC warranty exclusions, casters must be suitable for use on resilient flooring.
- Damage to flooring products from pallet jack and tow-motor traffic.
- Premature wear or deterioration from spikes and skate blade exposure.
- Variations in color or embossing between products, photography or printed color illustrations.
- Installation of FORPAC flooring in work or commercial areas exposed to oil and grease, such as commercial kitchens or butcher shops.
- Additional expense associated with overtime, replacing or moving appliances or furniture, business interruptions, loss of use or other related costs associated with the replacement of the flooring.
- Shifting, cracking, or movement of the substrate or foundation.
- Hydrostatic pressure, flooding, standing water or moisture on the surface of the substrate.
- Issues related to exposure to heavy rolling loads (Light Commercial Products).
